By Shaun Ellis, Penny Junor

Random House USA Inc, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. What would compel a man to place himself in constant danger in order to become a member of a wolf pack? To eat with them, putting his head into a carcass alongside the wolves gnashing teeth? To play, hunt, and spar with them, suffering bruises and bites? To learn their language so his howl is indistinguishable from theirs? To give up a normal life of relationships and family so that he can devote himself completely to the protection of these wild animals? In *The Man Who Lives with Wolves*, Shaun Ellis reveals how his life irrevocably changed the first time he set eyes on a wolf. In exhilarating prose, he takes us from his upbringing in the wilds of Norfolk, England, to his survival training with British Army Special Forces to the Nez Perce Indian lands in Idaho, where he first ran with a wolf pack for nearly two years. Offering an extraordinary look into the lives of these threatened, misunderstood creatures, Ellis shares how he ate raw kill and little else; washed rarely, and only in plain water; learned to bury his face...
