Kris Nelscott can lay claim to the strongest series of detective novels now being written by an American author. Salon Winner of the Herodotus Award For Best Historical Mystery Private Investigator Smokey Dalton works for Memphis, Tennessee's black community. He has almost no interaction with the white hierarchy, even though they exist only blocks away. So he's surprised the day a white woman walks into his Beale Street office. Laura Hathaway has sought him out because he's a beneficiary in her mother's will, and Laura wants to know why. So does Smokey. He's never heard of the Hathaways, but his search will take him on a journey that will change everything he's ever known. Set against the backdrop of the strike and protests that will end with Dr. Martin Luther King's assassination, *A Dangerous Road* combines the politics of race, betrayal, unexpected love, and the terrible cost of trust into a story so memorable the Mystery Writers of America chose it as one of the top five novels of the year. It's not hard to draw parallels between Nelscott's PI Smokey Dalton and Walter Mosley's Easy Rawlins, another secretive, canny black man trying to solve mysteries while circumspectly navigating the white world. But Dalton's no knock-off. . . Entertainment Weekly This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
