Anness Publishing. Hardback. Book Condition: new. BRAND NEW, Growing Orchard Fruits: A Directory of Varieties and How to Cultivate Them Successfully., Richard Bird, Kate Whiteman, Orchard fruits can be some of the most enjoyable crops that come from the garden. Fruit trees can be decorative, grown either individually or trained as fans and espaliers. In this book, the main types of tree fruits are described and illustrated, and there is key advice on preparing the soil and making compost, choosing, planting and supporting fruit trees, and harvesting and storing the fruit. A section on practical cultivation details essential information on growing and caring for each type of tree fruit, including when and where to plant trees, and how to keep fruit in good condition. The book is perfect for all gardeners who would like to grow their own fruit.
