The russian economy under Putin

By Karin Rammerstorfer

GRIN Verlag Jul 2008, 2008. Taschenbuch. Book Condition: Neu. 210x148x2 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2007 in the subject Politics - International Politics - Region: Russia, grade: 1, University of Vienna (Institut für Politikwissenschaft), 6 entries in the bibliography, language: English, abstract: Putin promotes himself as a big reformer but no real actions have been undertaken so far, which would prove that true. Therefore I am asking myself, if President Putin is rather a reformer or a power-politician. Where are the necessary reforms Putin is talking about Does Putin really want to reform the country for the better or is his major concern to maintain his position as president Are the new reforms meant seriously or are they just a way to quiet up the critics and protect his position It is very unclear where Russia is heading too. If you believe the official statement, you would see a democratic reformed Russia. Unfortunately if you dig deeper, Putins words need to be doubted. No effective reforms were installed that would have turned the country around. What are Putins real intentions, aims and goals I am questioning myself...
