

The Dog Who Couldn't Stop Loving: How Dogs Have Captured Our Hearts for Thousands of Years

By Jeffrey Moussaieff Masson

HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, The Dog Who Couldn't Stop Loving: How Dogs Have Captured Our Hearts for Thousands of Years, Jeffrey Moussaieff Masson, In "The Dog Who Couldn't Stop Loving", Masson considers the far-reaching consequences of the coevolution of dogs and humans, drawing upon recent scientific research. Over the past forty thousand years a collective domestication has occurred that brings us to where we are today - humans have formed intense bonds with dogs, and the adoration is almost always reciprocal. Masson himself has experienced a profound bond with his new dog, Benjy, a failed guide dog for the blind, who possesses an abundance of uninhibited love. Masson knows that the love he feels for Benjy - the same feeling Benjy has for all the people and animals around him - is not unique, but exemplifies a love affair unmatched in the animal world. With wisdom, insight, and a brilliant analysis of recent scientific findings, bestselling author Jeffrey Moussaieff Masson delivers a provocative and compelling book that will change the way we think about love and our canine companions.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Natalie Abbott**

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
