Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Boys Town I call it a Boy s Town because I wish it to appear to the reader as a town appears to a boy from his third to his eleventh year, when he seldom, if ever, catches a glimpse of life much higher than the middle of a man, and has the most distorted and mistaken views of most things. He may then indeed look up to the sky, and see heaven open, and angels ascending and descending; but he can only grope about on the earth, and he knows nothing aright that goes on there beyond his small boy s world. Some people remain in this condition as long as they live, and keep the ignorance of childhood, after they have lost its innocence; heaven has been shut, but the earth is still a prison to them. These will not know what I mean by much that I shall have to say; but I hope that the ungrown-up children will, and that the boys who read Harper s Young People will like to know what a boy of forty years ago was like, even if he had no very exciting adventures or thread-bare escapes; perhaps I mean hair-breadth escapes; but it is the same thing - they have been used so often.
