

Gulag Town, Company Town: Forced Labor and Its Legacy in Vorkuta (Hardback)

Filesize: 8.95 MB

Reviews

This book is definitely not effortless to begin on looking at but quite entertaining to read. Better then never, though i am quite late in start reading this one. I am just easily can get a enjoyment of looking at a written ebook.

Yale University Press, United States, 2014. Hardback. Condition: New. Language: English . Brand New Book. This insightful volume offers a radical reassessment of the infamous Gulag Archipelago by exploring the history of Vorkuta, an arctic coal-mining outpost originally established in the 1930s as a prison camp complex. Author Alan Barenberg s eye-opening study reveals Vorkuta as an active urban center with a substantial nonprisoner population where the borders separating camp and city were contested and permeable, enabling prisoners to establish social connections that would eventually aid them in their transitions to civilian life. With this book, Barenberg makes an important historical contribution to our understanding of forced labor in the Soviet Union and its enduring legacy.
