The Andean Land (South America), Vol. 2 of 2 (Classic Reprint) (Paperback)

By Author Chase S Osborn

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Andean Land (South America), Vol. 2 of 2 All is different in South America, although it possesses a white civilization more than a century older than that of New England or Virginia, and the distance across at the point where the first transcontinental road is being built, from Val paraiso to Buenos Ayres, is only a quarter of that between New York and San Francisco, or, in exact figures, eight hundred and eighty-eight miles. This Transandine Railroad will not be completed for five years, and perhaps longer. One tunnel, forty-five kilometres long, or ten miles longer than the great Simplon Tunnel in the Alps, remains yet to be built, with nine ventilating shafts, and only five kilometres of the work is finished. But it will be completed some day, and the optimistic management declares its hope to be that it will be finished in three years.
