LIBERTY WORKS: HOW FREEDOM MAKES PEOPLE HAPPIER, SAFER, AND HEALTHIER (PAPERBACK)**DOWNLOAD**

On Demand Publishing, LLC-Create Space, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Since the emergence of the very first societies, humankind has been faced with one essential question: Does liberty work? From the tribal governments created by people of the ancient world to the monarchies of Europe, the most commonly held belief in the history of civilization has been imposing a centralized, all-powerful government is the most effective way to govern. Even today, billions of people throughout the world live under the control of a well-armed, all-powerful group of rulers that grant rights to the people when it s convenient for the rulers. These are the ideological shackles the American Founding Fathers worked so hard to rid themselves of in the 18th century. Just as the Founding Fathers had to convince their neighbors in their own era of the importance of freedom, the current generation of pro-liberty thinkers and advocates must bring the good news of the power of personal freedom to the world - and we must do so in a way everyone can appreciate and understand. In Liberty Works: How Freedom Makes People Happier, Safer, and Healthier, a group of freedom-minded writers offer readers a series of articles showing the benefits of liberty for all people in five public policy areas: Constitution and Personal Freedom, Education, Health Care, Environment and Climate, and Economics and Poverty. In these essays, you ll encounter some of the best data-and...
