Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).
(Pasquale Larkin I)

JUBA -- DANCE FROM THE SUITE IN THE BOTTOMS: SHEET (PAPERBACK)

Suzuki Method International, 1999. Paperback. Condition: New. Language: English . Brand New Book. Juba is one of the earliest and possibly best compositions by R. Nathaniel Dett. Majoring in composition and piano at Oberlin, in 1908, Dett was the first black person to earn a Bachelor of Music degree. A few years later he received a masters from Eastman, then honorary Doctorates from both Oberlin and Howard University. Most of Dett s music-writing and music-making was devoted to the music of his people. Juba is the result of a well-schooled composer making effective use of elements of ragtime. A crowd-pleaser. A Federation Festivals 2016-2020 selection.
