Reviews

*These kinds of book is every little thing and made me looking forward and much more. I really could comprehend every little thing using this published e publication. I am just very happy to explain how this is basically the finest ebook we have read during my very own lifestyle and might be he greatest ebook for ever.

MAN DISCONNECTED : HOW THE DIGITAL AGE IS CHANGING YOUNG MEN FOREVER

Rider Random House UK Jun 2016, 2016. Taschenbuch. Condition: Neu. Neuware - 'Zimbardo has put his finger on a great challenge of the modern era' - The Sunday Times Masculinity is in meltdown. Young men are failing as never before - academically, socially and sexually. But why And what needs to be done Internationally-acclaimed psychologist Philip Zimbardo, and research partner Nikita Coulombe, show how symptoms include excessive gaming and porn use, apathy and drug abuse. They argue that digital technologies create alternative worlds that many boys find less demanding and more rewarding than real life, yet which are ultimately harmful. There is hope. Man Disconnected reveals where the solutions are to be found, and what action we can take. Controversial, provocative and insightful, this book is an alarm call ignored at our peril. 352 pp. Englisch.
