Reviews

It is one of the best books. Indeed, it really is a pleasure, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

The book enables candidates to role-play the scenarios with colleagues, providing notes for both candidates and actors. Each chapter concludes with a tutorial of relevant information and a suggested reading list. 'What the authors have developed in this text is a guide to excellence in this assessment method: how it runs, how it is structured, how it is marked. Anyone anxious about performance and success in the CSA (and all of us are) will find a practical way to prepare and pass.' - from the Foreword by John Spicer.
