Reviews

It is in a single of the most popular ebook. Better than never, though I am quite late in start reading this one. You will not feel monotony at any moment of your own time (that's what catalogs are for about when you request me).

HarperCollins Publishers, United Kingdom, 2002. Paperback. Condition: New. Language: English . Brand New Book. Crystal therapy views the body as a physical, emotional, intellectual and spiritual whole. This introduction to the use of crystals covers the choosing and storing of crystals, pendulum dowsing, kinesiology and self-testing among other applications. The complete illustrated introduction to using crystals therapeutically for health and well-being. This guide not only provides information on the world-wide history and traditions of crystals, it also gives practical information on the use of crystals, from positioning crystals around the body to replenish low levels of positive energy, to using crystals in the home to alter the energy of a space. A carefully constructed development of crystal therapy techniques allows the reader to grow in confidence and develop a personal approach to the use of crystals for healing.
