Elsevier - Health Sciences Division, United States, 1997. Paperback. Condition: New. 8th Revised edition. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Clinicians from many disciplines rely on this definitive reference for its consistent, topical format of case studies and paradigms in crisis resolution. This edition includes new chapters on violence in society, infertility, substance abuse, and coverage of Acute Stress Disorder, a new DSM-IV category. Expanded coverage is included on hot topics such as the recent earthquake in Los Angeles, the Oklahoma City bombing, crisis hotlines, and the latest crisis intervention modalities. A new epilogue outlines the author's vision of the future of crisis intervention. Crisis Intervention Paradigms are included at the end of chapters that can be filled out by the reader based on the case study. The completed paradigms can be found in the appendix. New appendices cover relevant legal and ethical terms, DSM-IV criteria for PTSD and ASD, infertility resources, and the completed paradigms.* A comprehensive, current, and readable look at crisis intervention for nursing students, students in related disciplines, as well as professionals and volunteers throughout the field of health care. * Forty-six paradigms demonstrate the methodology and steps in crisis intervention. * Examines the differences between crisis intervention and other psychotherapeutic approaches to stress the similarities and differences. * Concentrates on the problem-solving process, introduces the reader to basic terminology used in this method of treatment, and explains the intervention paradigm, providing an important tool to the reader. * Examines the legal and ethical issues in psychotherapy, such as sexual harassment and malpractice to prepare the reader for these sensitive situations. * Explores the relatively new area of posttraumatic stress disorder, covering its causes, diagnoses, and...
