Excerpt from Beautiful Florida: The Winter Playground of the Nation Unlike many winter resorts, Florida is not a mental attitude due to a man made atmosphere, wonderful and complete as are the works of human hands there, but rather a delightful, living reality fashioned in the hour of Nature s happiest mood, endowed with the rarest gifts of climate, and with a beauty of limitless extent, and where plant and animal life thrive because it is not possible to avoid doing so, people will also be happy because it is in the air, brought and kept there by the sweetness of the soft salt - laden winds and the smiling skies above them.
