

## Cancerologie (Paperback)

Filesize: 2.69 MB

### **Reviews**

*The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.*  
*(Dr. Lukas Hills DDS)*

## CANCEROLOGIE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: French . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.La redaction de cette serie de manuels de medecine clinique prolonge une demarche realisee au benefice des etudiants en medecine de l universite de l auteur, praticien intra-hospitalier, visant a les faire beneficier d un travail personnel consistant en une synthese de lectures personnelles de la litterature medicale et de reflexions issues de sa pratique. Il n est pas question dans ce volume de fournir une somme d affirmations indiscutables couvrant l ensemble de la cancerologie mais bien une serie de fiches concises offrant des exemples de prise en charge des principales pathologies oncologiques rencontrees en pratique clinique et de leurs complications. A chacun ensuite de les confronter a ses propres connaissances, pratiques et recherches pour se batir son mode de raisonnement clinique. Il s agit donc d un outil visant a contribuer a l education des etudiants en medecine, des jeunes praticiens et, de facon plus marginale, du public et des patients (on ne le repetera jamais assez: les premiers therapeutes d une maladie sont le malade lui-meme et ses proches. encore faut-il qu ils disposent d informations adequates).
