Satan has used every avenue possible to keep Jesus from being the center of our homes; stripping us of our Godly foundation and eroding the pathway we must take to raise righteous children and keep holy marriages. In my opinion, the biggest avenue Satan has taken to preoccupy the families of God is to keep us from worshipping God as a family. No longer do we make worship a lifestyle in our homes. Due to the pressure of this world, self-centeredness, and worldly desires, worship has been lowered to a mere service on Sunday mornings or Wednesday evenings. We no longer seek God s presence together within the walls of our home; mother and father, son and daughter offering up sacrifices to the Lord. Where are the stones that lead to Christ in our homes? God is waiting on you and I to lay down our stones before our children, building our own Godly foundation in our families and creating a pathway to Christ for those who follow in our footsteps. This book is full of Stone Moments that create fun and meaningful ways your family can seek His presence and have divine encounters with your heavenly Father together. Each time you worship with your family, you welcome the presence of Jesus into your home, laying down the stones of righteousness and the fear of God. each one of you take up a stone on his shoulder, according to the number of the tribes of the children of Israel, 6 that this may be a sign among you when your children ask in time to come, saying, What do these stones mean to you? Joshua 4:4.
