It's the perfect gift for crazy cat lovers and anyone who appreciates hilarious (and so true!) insights into cat-and human-nature, including: Your cat sits on your laptop not just for warmth or attention, but to prevent you from interacting with the outside world. After all, isn't the main reason to have a cat so you don't have to waste time developing normal human relationships? If you spent a third of your life licking yourself, you too would occasionally forget to stick your tongue back in your face. Eating grass has medicinal purposes, and most cats believe grass should be legalized. The cat feels bad about barfing on your bed. because now it must get to up to go sleep on your clean laundry instead.
