He spots someone emerging from the side door of the bank a moment before all hell breaks loose as the side wall of the bank is blown out. Neptune is caught in the blast and knocked unconscious. When he revives in hospital, he has no memory of what occurred or who he really is, instead he thinks he is Sherlock Holmes and that Moriarty is out to get him. He escapes from the hospital and returns to his office in Baker St. Deluded, he thinks Shark is Watson and Rachel is Irene Adler. Despite his identity crisis, he still manages to solve the case. Rachel hates Sherlock though, because he is such a misogynist, and takes drastic measures to try and bring him out of his delusion. In *The Hired Killer*, a woman hires Shark to murder her lover's wife, mistaking him for a tough biker. He accepts and then sets about to find out if the woman's husband is indeed out to kill her. In the meantime, the wife, Lucia Stilton comes to their agency and speaks to their insurance operative, Milo Washington about hiring them to protect her because she is in fear for her life. During their investigation they uncover various facts that just don't add up and come to an unexpected conclusion. This item ships from La Vergne, TN. Paperback.
