By Albert Bigelow Paine

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Lucky Piece: A Tale of the North Woods The tourists had passed a number of children already, but this one was different. The others had been mostly in oaks - soiled, stringy-haired little mountaineers, who had gathered to see the stage go by. The smooth, oval face of this Child, rich under the tan, was clean, the dark hair closely brushed - her dress a simple garment, though of a fashion unfavored by the people of the hills. All this could be comprehended in the brief glance allowed the passengers; also the deep wistful look which followed them as the stage whirled by without stopping. A lady in the back seat (she had been in Italy) murmured something about a child Madonna. Another said, Poor little thing! But the boy in the front seat had caught the driver s arm and was demanding that he stop the stage. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
