Reviews

Absolutely essential study publication. Sure, it is enjoy, nonetheless an amazing and interesting literature. I realized this book from my dad and i suggested this pdf to find out.
(Justus Abbott)

TOLSTOY: A GUIDE FOR THE PERPLEXED (PAPERBACK)

Bloomsbury Publishing PLC, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book. A concise but comprehensive guide to Tolstoy's literary and philosophical writings, focusing on aspects of his work that students find most difficult. Count Leo Nikolaevich Tolstoy (1828-1910) is one of the most important writers in the Western tradition. His two great, giant novels, *War and Peace* and *Anna Karenina*, are regarded as pinnacles of the genre; they cover an enormous range of basic human experiences with a precision and probing spirit that, in the words of one critic, are simply unmatched by any other writer. This guide offers students a clear introduction to Tolstoy's literary works from his major novels to the shorter novels and texts, including *Hadji Murat* and *The Death of Ivan Ilyich*. The guide also covers major themes including sex, death, authority and evil and offers an overview of Tolstoy's religious and philosophical thought. A final chapter assesses his lasting influence in the spheres of literature and culture, religion and philosophy and on major figures including Joyce, Ghandi, Wittgenstein and Heidegger. This is a comprehensive and readable guide to one of the most remarkable writers and thinkers of the nineteenth century. Continuum's Guides for the Perplexed are clear, concise and accessible introductions to thinkers, writers and subjects that students and readers can find especially challenging - or indeed downright bewildering. Concentrating specifically on what it is that makes the subject difficult to grasp, these books explain and explore key themes and ideas, guiding the reader towards a thorough understanding of demanding material.
