Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is the Third edition of my book and is up-to-date as of June 2014. The names of the little hotels, motels, cottages etc. sometimes change in Negril and it is hard to find information on all of these resorts. Also, there is no easy to find place or one book to go to, except this one, that has a complete list of the hotels on Seven Mile Beach. That is why I wrote this book. If you are planning a trip to Negril, Jamaica this book has all the tools you need to get the most of your travel experience. I have been to Jamaica five times in my life, so far, and every time I go I fall in love with it a little more. I find new places to stay, new places to eat, and I meet a bunch of new people who live there and who are visiting. It is unlike any other place I have been to on earth. If you have heard stories about Jamaica and are nervous about traveling there, then this book will help you out. Jamaica is a poor country. There is crime in Jamaica but thankfully most of the crime in Negril is property crime. I have never had anything stolen while staying in Negril or visiting Jamaica. I wrote this book in part, to help people out who have never been there. This book is a comprehensive guide to Seven Mile Beach in Negril, Jamaica. If you are new to Negril or if you are a seasoned traveler, this book will help you plan your trip to Seven Mile Beach. It contains a complete list of all the available rooms to rent,...
