Bookstand Publishing, United States, 2013. Hardback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.KILLA CALI: A California State of Mind, the first of its kind, a true West Coast bible! Far from a tell-all, but based on a true story, author J.D. Carr tells a compelling story of his journey of triumph, street cred, captivity, and success. Through the eyes of a real-life California-bred hustler, the author managed to shape his views by watching the real Freeway Ricky Ross at an early age. Although never really quenching his thirst for the love of money, he finds himself on a road to redemption instead of riches. On the run from the Feds for almost a year, J.D. Carr is slapped in the face with a dose of reality of how his life could have turned out. His encounters with the infamous Big Meech of BMF, Cash Money Young Money CEOs Wayne and Baby, just to name a few, was a telltale sign that he was created young, gifted, and black! Destined to ball! With the Feds on his back after his having served a seven-year federal bid, will J.D. Carr overcome the grand scheme designed for his failure, and become the next best-selling author? Or will he revert to his old ways and hook up with his past, Black Tone and his Mexican connect Gordo? The first book of a trilogy, KILLA CALI is a must-read nonfiction/bio from a California state of mind!.
