Rosen Education Service, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Apple is a famous brand name, and the imagination and forward thinking behind its success owes a large debt to Steve Jobs. This informational biography offers insight into the life of Steve Jobs, beginning with his early curiosity about electronics and moving through his various innovations to his state-of-the-art technologies like iPhones, iPads, and Mac computers. Readers will learn about his rise to fame in the world of computers and technology, but this book also covers some of his less successful projects. Many readers will be inspired by Jobs s creativity and unwavering determination to develop exciting and striking, but easy-to-use, products.
