Reviews

This published publication is fantastic. it had been writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Junius Herman)

BEETHOVENS IMMORTAL

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 182 pages. Dimensions: 11.0in. x 8.5in. x 0.4in. When Ludwig Van Beethoven died three letters were found where he was pouring his heart out to a woman with no name. She was only referred to as the Immortal Beloved. For decades, people have wondered who the elusive woman that the inspiration for Ludwig Van Beethovens music is. Now, a young woman named Stephanie Stover and her best friend are about to go on an incredible adventure as Stephanie finds her place in history as the inspiration for the greatest composer to ever live. From the author: I love time travel stories. Most science-fiction fans do. This story is not only a time travel story, but also one of romance, adventure and a love of music. To my knowledge, these two particular characters have never been used in a time travel adventure before and I wanted to change that. This item ships from La Vergne, TN. Paperback.
