

## Qué hacemos con los impuestos

By Braña, Francisco Javier

AKAL, 2014. Condition: Nuevo. ¿Qué hacemos por una fiscalidad justa y suficiente, que acabe con el fraude y la elusión en el pago de los impuestos? El discurso oficial de la crisis insiste en que España tiene un problema de gasto público, que necesita ser recortado. ¿Por qué no se pone el mismo énfasis en el otro plato de la balanza: los ingresos? El sistema fiscal español, sin haber conseguido nunca ser un sistema justo, equitativo, eficaz y suficiente, está viendo agrandados sus desequilibrios con la crisis. Mientras las rentas del trabajo soportan la mayor parte de la recaudación vía impuestos, las rentas del capital encuentran todo tipo de facilidades legales para reducir la carga fiscal. Al mismo tiempo, el fraude fiscal es muy elevado, sin que el Estado disponga recursos suficientes para perseguirlo. Este libro apuesta por una verdadera reforma fiscal, basada en los principios de justicia, equidad y redistribución, que sirva para sostener y ampliar los servicios públicos y el Estado de Bienestar, frenando la desigualdad creciente.
