## THE SIGNIFYING CREATOR NONTEXTUAL SOURCES OF MEANING IN ANCIENT JUDAISM

[DOWNLOAD](#)

NYU Press. Hardcover. Book Condition: New. Hardcover. 132 pages. Dimensions: 9.0in. x 5.9in. x 0.8in. For centuries, Jews have been known as the people of the book. It is commonly thought that Judaism in the first several centuries CE found meaning exclusively in textual sources. But there is another approach to meaning to be found in ancient Judaism, one that sees it in the natural world and derives it from visual clues rather than textual ones. According to this conception, God embedded hidden signs in the world that could be read by human beings and interpreted according to complex systems. In exploring the diverse functions of signs outside of the realm of the written word, Swartz introduces unfamiliar sources and motifs from the formative age of Judaism, including magical and divination texts and new interpretations of legends and midrashim from classical rabbinic literature. He shows us how ancient Jews perceived these signs and read them, elaborating on their use of divination, symbolic interpretation of physical features and dress, and interpretations of historical events. As we learn how these ancient people read the world, we begin to see how ancient people found meaning in unexpected ways. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
