Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Curtains outrageous plot is set against the chilly corporate publishing world of Raven s Towers, a designer megalith. Here, Olliver takes us inside the world of Glossy International magazine, a kingdom ruled over by a megalomaniac ice queen super-ed called Vicki Cochrane. At first, it looks as if we re in for one of those insider tales beloved by journos who ve moved onto better things, but not a bit of it. Before you can say Conde Nast! , Vicki s been blown sky high and whisked off to an astral waiting room where, upon the chaise-longue of her soul, she s forced to watch an action replay (in virtual reality mode, of course) of the previous few days leading up to her demise, to try and ascertain whodunit. Mr Olliver is a talent to watch. His caustic and very funny narrative, set exotically between London and Brightworth (where absent media magnate husband Max has set up home at the end of the pier), has a cast of bitches, temptresses, queens and rougns worthy of grand opera, and just asking for the book alone should provide mirth at the checkout. And that s before you ve even opened it. Christie Hickman, Midweek. Much of Victor Olliver s Curtains takes place in Raven s Towers, the corporate headquarters of a lifestyle-cum-fashion Conde Nast-type glossy in the heart of the capital, although, here too, a significant part of the action ventures out into the dim provincial greyness surrounding London, in this case, a seaside town called Brightworth, famous for its pier and not much else, although fame, as the novel teasingly points out, is as up for manipulation as anything else. Following an explosion...
