## YOUNG MICHELANGELO: THE PATH TO THE SISTINE (HARDBACK)

Guggenheim Museum, United States, 2010. Hardback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Truly in a class of its own, Young Michelangelo is the most definitive and eye-opening study of the artist s early life to come along in a generation. In this compelling account, renowned art historian John Spike paints a vivid portrait of one of the world s greatest artists and the places and people--Lorenzo de Medici, Leonardo, Machiavelli--that inspired and defined his early life and career. Spike s masterful text probes the thinking, evolution, and desires of a young man whose awareness of his exceptional talent never wavered. Michelangelo s complex personality is revealed through lively examinations of the Pieta, the David, and all other major works. Drawing on a rich background of Italian Renaissance politics and culture, Spike deftly navigates the fiery Florentine master s struggle to surpass da Vinci s artistic mastery, and his troubled relationships with Julius II and other key figures of the era. Praise for Young Michelangelo: Making the most of Michelangelo s ample correspondence and the recently published records of his extensive banking transactions, Spike has drawn an astonishingly vivid portrait of the artist s first 33 years. It s the best life of Michelangelo I ve read, and it leaves one wishing the author would complete Michelangelo s life with his wonderful grasp of the artist s tenacious personality and Herculean achievement. Everett Fahy, John Pope-Hennessy Chairman of the Department of European Paintings at the Metropolitan Museum of Art Tense and agile as an early sculpture, Young Michelangelo is a compelling portrait of the artist as a young man in a dangerous time. Peter Robb, Author of M: The...
