Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.When I submitted my college textbook, Trustworthy Computing in 2005, and newly, the Cyber-Risk Informatics in 2014, Wiley editor asked me both times what was so special about my book proposals. Rather, what were they doing that others were not accomplishing, or what void did the book fill? I recall I made my points quite fully, not only explaining but also supporting with statistical findings and website charts to justify the need for a new book-to-be, which was not currently available in the literature. I will now ask myself the same question about how this book is different. I may say that the book will be about a foreign scholar s storytelling while strolling the globe about what hardships and challenges he went through, and during which stages of his life; how he contributed to the life immediately around him or far away from and in the United States of America? All contained in the book will be speaking the plain truth, by recounting memoirs, nothing more or nothing less and no fiction and all facts. However, the interpretation of these facts will be left to the readers judgments. While writing her legendary book, To Kill a Mocking Bird , which was not at all easy and obvious, Harper Lee went through a lot of difficult and unnerving periods to conclude her book in the way that she wanted to craft it to perfection, therefore leading to a timeless document for ages to come. One day while being assisted in New York City by a staff of helpers and seasoned coaches such as Truman Capote, also hailing from the Deep South; Lee angrily tossed her...
