Nomad Press, 2015. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: From other titles in the Build It series: Praise for Micronations: Invent Your Own Country and Culture with 25 Projects Seth Dixon, Ph.D., Assistant Professor, Rhode Island College "A delightful resource to help students understand all the inner workings of a country. This hands-on, creative approach will capture imaginations and is destined to make geography come alive for countless children." His Excellency President Kevin Baugh, Republic of Molossia ". . . a great book, very entertaining and informative. It's a fun read and a great resource for anyone, young and old, who would like to start their own micronation--and I should know, I've been running my own micronation for 36 years!" Praise for Cities: Discover How They Work with 25 Projects Booklist "Propounding the emerging interdisciplinary paradigm of STEAM (science, technology, engineering, art and design, and mathematics), this hands-on informational book discusses how cities' complex structures and systems function together in an interdependent way. . . Basics of civil engineering are introduced and potential future problems of city life are explored. Through appealing illustrations, reader-friendly text, and fun, hands-on experiments suitable for home and classroom, Reilly helps foster an appreciation for the way that cities function almost as organisms with vibrant systems and interdependent structures."
