THE TRIBUNE S CURSE (PAPERBACK)

Thomas Dunne Books, United States, 2004. Paperback. Condition: New. Reprint. Language: English . Brand New Book. I was happier than any mere mortal has a right to be and I should have known better. The entire body of received mythology and every last Greek tragedy ever written have made one inescapable truth utterly clear: If you are supremely happy, the gods have it in for you. They don t like for mortals to be happy, and they will make you pay. In his extensive series featuring the detecting feats of Decius Caecilius Metellus the younger, set in the Rome of 70 BC, Roberts achieves a very believable modern feeling with his well-researched description of the stories background. This seventh episode, however, combines a familiar view of the demands office-seeking makes on a candidate with a situation that is impossibly bizarre to us today. An entire city, versed in literature, music, and the other arts, ruled democratically, for its time, is thrown into panic by an enraged man s curse. The Consul Crassus, the wealthiest man in Rome, frustrated by the Senate s vote against his leading Rome in a war against Parthia, plans to march his private army to invade the country himself. Almost all of Rome turns out to watch him carry out his threat and lead his troops out of the city. But before he can, a t powerful tribune called Ateius leaps to the top of the city s gate and invokes all the gods to put a curse on Crassus and his army. Rome is terrified. Ateius has called down a forbidden curse -- the worst and most frightening blasphemy ever perpetrated. It seriously threatens the entire populace, and drastic steps to propitiate the gods must be taken immediately. Worse even, someone kills Ateius - perhaps...
