D&B Publishing. Paperback. Book Condition: new. BRAND NEW, No Trump Contracts: Essential Bridge Plays, David Bird, No trump contracts provide the nuts and bolts of bridge card play. Without a trump suit lurking in the background, where small cards can pop up unexpectedly and ruff your winners, the play is simplified and becomes all about the correct handling of the suits. This does not imply that no trump play is easy - far from it. There are difficult decisions to be made all along the line: should you take a finesse? which is the danger hand? when is it right to hold off? In this book, renowned bridge author David Bird helps the reader to answer these questions and to comprehend the reasoning as to why certain decisions are taken. Each independent principle is thoroughly examined and the reader is then invited to test their own understanding of the concept by answering a number of puzzles, typical of those that arise in practical play.
