Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, after the way I believe.

Choose the parent you'll be---and you choose the child you'll raise. When it comes to parenting, who you are is more important than what you do. After all, your child internalizes your traits more than anyone else's on the planet. And that's why Les and Leslie Parrott---in a parenting book like no other---give you a proven plan for cultivating the traits you most want your child to have. Discover . * the most important question you'll ever ask as a parent * the three-step method to avoid being the parent you don't want to be * the secret to making your 'intentional traits' stick on even your worst days . and much more. A husband and wife team made up of two of today's leading relationship experts, Les and Leslie Parrott reveal their personal experiences as parents to help you fulfill the most important calling you will ever have. The Parent You Want to Be is inspiring, warm, and filled with a transformational power for your entire family.
