ILLUSTRATED HISTORY OF ANCIENT LITERATURE, ORIENTAL AND CLASSICAL (CLASSIC REPRINT)

Forgotten Books. Paperback. Condition: New. This item is printed on demand. 436 pages. Dimensions: 9.0in. x 6.0in. x 0.9in. Excerpt from Illustrated History of Ancient Literature, Oriental and Classical The History of Literature, as a separate branch of the history of civilization, is of comparatively recent origin; the first work on the subject in any language dating no farther back than the sixteenth century of our era, and being little more than a crude catalogue of authors and their books. Yet who can deny the great importance of such history When studied in connection with illustrative extracts from the masterpieces of which it treats, it furnishes a key to the intellectual development of our race, introduces us to the great minds that stand as beacon lights in successive ages, and with their wisdom widens the scope of knowledge, while it refines the taste and disciplines the judgment. Lord Bacon said but the truth, when he remarked that the history of the world without the history of letters would be as incomplete as a statue of Polyphemus deprived of his single eye. Nor is this study without results of a direct practical bearing. Certainly all must appreciate the importance of understanding current allusions to the writers and literary works of other ages and countries, and must admit that some acquaintance at least with such writers and works is essential to a well-grounded knowledge of ones own language and a correct estimate of its literature. But when is such an acquaintance to be obtained, if not during a school or college course The engrossing duties of after-life leave little time for the pursuit of liberal studies. And how is such an acquaintance to be obtained All are not linguists, and the greater part must get it second-hand - must avail themselves of the labors...
