TROLL STEW: A STRANGE BREW OF DARK FAIRY TALES AND POEMS FOR ADULTS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. While most writers of fairy tales cater to children, some offer up darker and slightly more twisted fare, such as this curious concoction intended for adults. Chock full of deliciously dark and often grimly humorous tales and poems, this singular literary feast is sure to satisfy the cravings of any reader with an appetite for the unusual. Containing three original works of short fiction, four original works of flash fiction, and six original works of poetry, the collection gets off to a playfully mischievous start with a spicy combo of gruesome terror and wry humor in Troll Stew, a rather macabre nursery rhyme which lends its title to this delightfully strange and eclectic brew.
