Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Children s Teeth: A Community Responsibility For a number of years the United States Public Health Service has been engaged in studies and investigations of the physical status of school children, and as a result of these investigations it has repeatedly drawn attention to the overwhelming preponderance of dental defects over those of all other classes. The bad effect of decaying teeth, of inflamed gums, and of suppurating areas in the oral cavity on the health and development of young children is obvious, and no effort should be spared to prevent the occurrence of such conditions. The provision of dental facilities, both preventive and operative, for school children, is a measure which promises to yield the most fruitful results in conserving their health. This article has been prepared as a result of the long-felt need of this form of health supervision, and in response to the numerous requests received for information pertaining to the establishment of school dental clinics. Investigations made by the United States Public Health Service and other agencies show that among the...
