Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is a collection of short stories divided into 4 books as follows: Book 1, Life on Grandfather s Homestead, is primarily history/and nostalgia about growing up on the family homestead in Wyoming in the 40 s and 50 s. However, it is much more. It is a collection of hundreds of historical photographs including antique farm and ranch equipment and some of the innovations our pioneering ancestors developed to ease their burden. If you enjoy history, nostalgia, and stories of rural America, you will like this book. The photographs alone are worth the price of the book. Book 2, Wyoming Hunting Guides and More Hunting, is about my experiences hunting and guiding hunters with my older brother in Wyoming. This section is largely about my brother Bob and a guide business that he operated for many years. It offers many Tall Tales and other unusual stories of his occupation as a hunting guide and as a logger. In addition I tell a few stories from my 50+ years of hunting in the Blue Mountains of Washington. Book 3, Life Beyond the Black Hills, is about my adventures as a country bumpkin, new to big city life in Spokane, WA. It includes a How I Met My Wife episode. It has many stories of some interesting and unusual jobs I held such as, an internal auditor in Alaska, working as a Railway Mail Clerk, etc. Included in this section is a Chapter, The Joys of Camping and some of our 50 plus years of RV camping. My favorite camping story is Hiking across the Grand Canyon. Book 4, The Early Pioneers is a collection of family stories and photographs...
