

The Shoals (Paperback)

By Brad J Boucher

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Ten miles off the New England coast, the Isles of Shoals have fascinated historians and geologists for hundreds of years. Surrounded by treacherous underwater ledges and unpredictable currents, the grouping of nine tiny islands is rich in folklore and mythology. But the Shoals also hold a deadly secret. Something has come to roost there, a force neither living nor dead, a power without conscience or remorse. And now, three hundred years after its first awakening, as a line of lethal tropical storms marches steadily up the eastern seaboard, it is about to rise again. Feeding on weakness and desperation, and fueled by the fury of the natural elements, its power can already be felt on the mainland, as it begins to draw a handful of unwilling, unknowing victims to the Shoals, searching for the perfect human host. Doyle Walker, an architect from Iowa who has never even seen the ocean before; Lea Stoddard, a lifelong resident of the seacoast, whose secret emptiness may provide the mysterious force with the strength it needs to reach the mainland; Maxwell Cavanaugh, a...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
