## **EAT THE HEART OF THE INFIDEL : THE HARROWING OF NIGERIA AND THE RISE OF BOKO HARAM (PAPERBACK)**

C Hurst Co Publishers Ltd, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Boko Haram s appetite for exemplary violence and kidnapping women and girls has thrust it to the top of the global news agenda. In a few furious years its cadres have all but severed parts of northern Nigeria -- Africa s most populous state and largest economy -- from the hands of the government in Abuja. Videos broadcast by Boko Haram feature its leader, a grimacing rantingdemagogue who taunts viewers, claiming he will eat the heart of the infidel and calling on Nigerians to reject their corrupt democracy and return to a pure form of Islam. Thousands have been slaughtered in their campaign of purification which has evolved through a bloody civil war. In Northern Nigeria - which has witnessed many caliphates in the past - radical ideas flourish and strange sects are common. Boko Haram has drawn on and exploited these traditions to mobilise people against the corruption of Nigeria s politicians and oligarchs who have preyed on a state buoyed by oil revenues and turned public institutions into spoons for the pot. When the going was good it didn t matter. Now a new ravenous force threatens them all.Andrew Walker guides the reader through Boko Haram s hinterland - examining northern Nigeria s history, culture and politics - in search of where the group comes from and where Nigeria might be going.
