By J H Rae

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Application of Electricity as a Therapeutic Agent Originally it was not my intention to say anything regarding the philosophy or theory of the application of electricity, but on advice of others I have concluded to add this introduction. Individually I should prefer to adhere to ray first resolution, and leave theories and speculations to others; presenting only the mechanical operation, leaving others to form their own opinions as regards the why and wherefore. The normal condition of the body is Health. The abnormal condition, Disease. In the normal condition the electricities are all equal, having full, natural, dynamic force. In the abnormal the electricities are unequal; some are dynamic, some latent; obstacles intervene, interrupt, and change the currents.
