YOUTH OF THE NATION (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Youth of the Nation is a powerful collection of short stories depicting what so many of our youth go through on a daily basis. They often suffer in silence. Jason Madoe wrote these stories about what he and his friends went through in high school. His raw and unapologetic approach really provides a disturbing window into the challenges facing the youth of our great nation. ****Trigger Warning**** The book contains mature themes. Some of the stories within the book may trigger an adverse reaction. If a story is beginning to upset you, please stop reading immediately and talk to your support team. Topics include but are not limited to rape, sexual content, self-harm, suicide, and mental and physical abuse. This book only highlights a small portion of what goes in many student s lives.
