Arcadia Publishing (SC), United States, 2009. Paperback. Book Condition: New. 234 x 163 mm. Language: English . Brand New Book. Warrington Township, located in Bucks County, was officially established in October 1734 and named after a town near Lancashire, England. As the years went on, main roads developed through town, some as part of William Penn s highway plan, and the township was divided further into the four villages of Warrington, Neshaminy, Tradesville, and Eureka. Their borders were not well defined but were centered on important crossroads. Each of the villages had its own post office and school. The residents associated themselves with their villages, forming distinct communities. The year 2009 marks Warrington s 275th anniversary. To commemorate this event, the newly formed Warrington Historical Society has assembled the vintage photographs in Warrington as a glance back at the township s rich past, offering a window to a time when the Warrington landscape was made up of endless open space and agriculture was the main industry.
