Createspace, United States, 2011. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.People of all ages, genders and backgrounds can suddenly feel all alone, isolated and secluded from the world around them. Whether it is because we live our lives on our own or it s simply because we feel we don t fit in with our surroundings. Loneliness can feel like a disease to others and nobody will talk about it because they may get infected by us. Alone Among Many is written for those who have felt such remoteness, not as a self-help book but as a way of saying we, we many, we feel as you do. We are lonely. As a contemporary poet Spargo Postle recognises the loneliness and isolation we can all sometimes feel, even when we are seemingly among many others. His poetry expresses what we all feel but are unable to speak of, out loud. This selection of poetry was made by Spargo Postle himself and includes some of his best known works including We Are Lonely, A Man Of Few Words and I m Scared of the Darkness.
