Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What are the six divine principles of success? This book reveals for the first time a sacred and over 2000-year-old system for personal and economic growth, based on six principles from the divine tree of life. It shows that these six principles are common to the endeavors of empire builders such as Bill Gates, the Roman founder Emperor Augustus, and the biblical King David. As such, they are a unique formula to great financial success. The contents of this book have been tried and tested with great success by a variety of groups prior to publishing. Businessmen and senior officials of more than four groups which have implemented these principles mention the following benefits: -Allows you to better read both client and company interests. -The six principles together will help you create a bigger sum than its parts, allowing a more efficient and profitable economic performance with moderate growth. -Provides tools to improve relationships and increase business partnerships. -Improves performance and reduces the working day. And as we know - time is money. -Improves the quality and delivery speed of products and services. - Maintains business and personal development success, as well as relevance in changing market conditions, and the lead in various sectors. - Enhances constructive pleasure and builds positive energy. -Brings you a few steps closer to the American dream. I have been surprised and delighted by the ability of this book to enrich my life. Keren Peled Zohar (Radiance) Halevi is qualified in a multitude of disciplines: lawyer, computer programmer, expert in investigating, expert in the art of persuasion, mediator, personal and business coach and more. This book is a product of the author s life work over twenty-three...
