## ANDALUCIA: COSTA DEL SOL AND SIERRAS (5TH REV ED)

Sunflower Books. Paperback. Book Condition: new. BRAND NEW, Andalucia: Costa del Sol and Sierras (5th Rev ed), Christine Oldfield, John Oldfield, This pocket-sized guide describes car tours, picnic places and walks throughout south-central Andalucia: the Alpujarra, Granada and the Sierra Nevada, the Axarquía, Antequera and the Torcal Natural Park, the El Chorro Nature Reserve, the Sierra de Mijas, Sierra de las Nieves, Ronda and the Sierra de Grazalema.----- It captures the very essence of this most evocative part of Spain. An ever-changing landscape awaits your discovery whether you are driving or walking - from the 'white villages' and ancient towns to the never-ending sierras, razor-sharp gorges and gentle verdant valleys.-----All the tours and walks are easily accessed from the popular Costa del Sol resorts. Since many people will explore Andalucia by car, most of the walks are circular. But for those without a car, there are timetables for local transport. The guide includes fold-out touring maps and large-scale (1:50,000) topographical walking maps.-----7 car tours, 40 long and short walks, 23 picnic suggestions. Plan of Marbella. Free online update service with specific route change information on the publisher's website, maintained daily.- -----The 'Landscapes' series, with 50 destinations, has been dubbed 'the blue Bibles' by the Sunday Times and led to Sunflower coming third out of a field of 15 publishers in the 2014 Holiday Which? travel guide roundup.-----The lowdown on how to get the best out of the countryside. (Sunday Times)-----The guide covers areas up to two hours' drive both north and south of Malaga. We spent a week in Competa, one hour northwest of Malaga, and used the guide for touring and walks. The car tours are easy to follow and informative. The walking details are excellent (Peter M, Amazon) ----- Indispensable for a first visit. Without the book I would...
