

Combating Terrorism Technical Support Office Review Book 2012

Filesize: 9.47 MB

Reviews

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

COMBATING TERRORISM TECHNICAL SUPPORT OFFICE REVIEW BOOK 2012

Createspace, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.New ways to wage war - and to wage terror - promise both small and large changes in established assumptions. But whether that technique is a new explosive mixture, a computer virus, or a disinformation campaign, it always goes back to the same assumptions. The attacker is always trying to get by the defender, and the defender is trying to deploy the right countermove. New threats require new strategies. Innovation enables the United States to increase our own defenses, identify weaknesses in those who attack us and our allies, and change the rules in our favor. Innovation has many forms. It ranges from basic research - technology that will not be available for decades but that promises to truly alter how we understand and interact with the world - to small, but key, innovations, to current equipment with delivery schedules measured in days, weeks, or months. All are essential, and all must work in concert. In a time when innovation often comes from new and emerging companies, it is interesting to look at an organization that has been involved with innovation for more than 25 years. The Combating Terrorism Technical Support Office (CTTSO) doesn't just pursue innovation for the sake of innovation - it pursues innovation to meet the needs of its diverse user base. A new way to build blast resistant buildings is one thing, but it only becomes powerful when directly meeting the needs of the people who live and work in those buildings. CTTSO acts as a matchmaker, ensuring that those on the front lines of the fight against terrorism get what they need to do their job just a little easier, and that...
