Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

FAITH, INTERRUPTED: A SPIRITUAL JOURNEY

Random House USA Inc, United States, 2011. Paperback. Book Condition: New. Reprint. 198 x 132 mm. Language: English . Brand New Book. Faith, Interrupted is a profoundly personal, deeply felt exploration of the mystery of faith--having it, losing it, hoping for its return. The son of an Episcopal priest, Eric Lax develops in his youth a deep religious attachment and an acute moral compass--one that he is willing to go to prison for when it leads him to resist military service in Vietnam. His faith abides until, in his mid-thirties, he begins to question the unquestionable: the role of God in his life. In response, Lax engages with the father who inspired him and with his best friend, a Vietnam War hero turned priest. Their ongoing and illuminating dialogues, full of wisdom and insight, reveal much about three men who approach God, duty, and war in vastly different ways. Lax provides an unusual and refreshing perspective, examining religious conviction sympathetically from both sides as one who has lost his faith but still respects it.
