Reviews

Definitely among the best ebook I have actually go through. I have read and i also am confident that i am going to likely to read once again once again later on. I am just very happy to explain how this is actually the finest publication i have read in my own daily life and could be he greatest pdf for at any time.

Zephyr Press, United States, 2004. Paperback. Book Condition: New. 272 x 211 mm. Language: English . Brand New Book. For ages 8-12. Designed to help elementary school teachers develop their students media literacy skills -- the ability to access, analyse, evaluate, and communicate information in a variety of formats -- this book offers a series of 20 thematic units that show how to integrate media literacy into their existing curricula. Each unit s lesson or activity includes a statement of the rationale behind it, specific objectives, content goals, materials, procedures, grade-appropriate adaptations, and assessment tools, which are usually student handouts. The Media-Savvy Student is developed around student-centred teaching, inquiry-based education, problem solving in cooperative learning, and alternatives to standardised testing.
