The Caramel Tree Readers Level 4 is a delicious series of leveled readers for children ages 7 to 9. The diverse, original stories have a word count of approximately 2,000 words. The stories in this series vary with narrative in first person or third person, and they have increased character dialogue, which allows students to develop character studies. They focus on realistic fiction and have settings that students can relate to, but each story has a unique twist that will keep students thinking. Jimmy has an unusually large head. It s full of brilliant ideas, but he never talks about them with anyone. One day, everything changes as his head grows bigger and bigger and lifts him up to the clouds. How can Jimmy come back down to Earth?.
